

MEDICAL EXCELLENCE

Great Health is the Ultimate Luxury

Global MedPass Membership Benefits

Global MedPass Members receive timely access to our global universe of medical partners and healthcare network. This level of Membership is ideal for individuals and corporate care.

Our MedPass Advisors provide Members with preferred, targeted access to all levels of health care.

Global MedPass Members pay an annual membership fee for global access to health services, as well as additional fees for arranged à la carte services if requested.

Membership annual fees provide Members with access to these world-class health care and healthy lifestyle services:

The world's top doctors, hospitals and diagnostic technologies

Comprehensive, State of the Art Diagnostic Examination

Professionals prepared to step in to help manage chronic care needs

Complete peace of mind, secure in knowing that the best care is readily available to you 24/7/365, at home or around the world

Discounts on contracted health care services with medical partners.

Membership in Global MedPass provides Members with preferred access to:

Personal Health Concierge Services

Personal Health Advisor
